AFFIDAVIT

The information contained in this report/affidavit is based upon my personal participation in the investigation, which included, but is not limited to information relayed to me by other agents and officers participating in the investigation.

Probable Cause/Facts:

On July 18, 2019, Border Patrol Agent (BPA) M. Ortiz assigned to Operation Alamo was working near Encino, Texas. At approximately 08:00 pm, BPA M. Ortiz received information via his service radio that another BPA had observed a silver in color Dodge Avenger took a turn around on US Highway 281, just south of the Falfurrias Border Patrol Checkpoint. The BPA advised they were watching the Dodge Avenger and it appeared to be pulling over on the side of the road, actions that are indicative of Alien Smuggling. The BPA advised the vehicle then continued to proceed southbound on Highway 281. The BPA advised that they were in an unmarked service vehicle and therefore were unable to conduct a vehicle stop on the Dodge Avenger. The BPA then advised that the vehicle had reached a Farm Marked road and was taking the exit. The BPA then advised the vehicle abruptly continued back onto US Highway 281 and was driving very slowly. BPA M. Ortiz proceeded to respond to their location and assist with conducting a vehicle stop on the suspect vehicle. BPA M. Ortiz approached the unmarked Border Patrol unit and the suspect vehicle. BPA M. Ortiz then proceeded to conduct a vehicle stop on the silver Dodge Avenger. As the vehicle come to a stop, BPA M. Ortiz observed the back seat passenger vehicle doors open, and two individuals absconded west from the Highway into the brush. BPA M. Ortiz immediately began a pursuit on foot of both individuals. Other BPA's assisted in the pursuit of the absconders. A short distance from the Highway, BPA's were able to apprehend one of the absconding subjects. The driver and front passenger were both arrested from the front seats of the Dodge Avenger.

All subjects were placed under arrest and transported to the Falfurrias Border Patrol Station for case preparation.

All subjects were advised of their Miranda Rights in their preferred language. All subjects acknowledged they understood their rights. Kayla MILLER & Gerardo MARTINEZ declined to provide statements without the present of an attorney. Juan Alejandro ESPINOZA-Barron agree to provide statements without the present of an attorney.

Material Witness Juan Alejandro ESPINOZA statement:

ESPINOZA stated he crossed the Rio Grande River on September 2018 and has been living in McAllen, Texas for approximately 10 months. ESPINOZA stated he got out of work at 4:00 p.m. and got picked up at his residence in McAllen by Kayla MILLER. ESPINOZA stated they left his residence around 5:00 p.m. and went to a small ranch in Encino, TX for a party. ESPINOZA stated they left the ranch in Encino, Texas to go to Edinburg, Texas to pick up more beer. ESPINOZA stated while they were driving southbound, they saw flashing red and blue lights and believed it to be a State Trooper. ESPINOZA stated he panicked and ran away once the vehicle came to a stop.

Note: Kayla Miller has a prior arrest for alien smuggling out of Falfurrias, Texas in April 8, 2019.
